

Wedding Day 1944

The Tuttle Legacy – Wallace Tuttle graduated cum laude from St. Paul's in 1925, attended Yale, and returned home to Missouri to begin a lifelong career with Southwestern Bell Telephone. Just after war broke out in 1941, he joined the U.S. Army, serving through war's end and seeing action with the 63rd Infantry Division in the Rhineland and Central Europe campaigns.

Before shipping out to Europe after D-Day, he married Lois Bader, then returned to her in Missouri to spend many happy years together until his death in 1991. When Lois passed away 20 years later, one of the provisions of her trust was to make a gift to St. Paul's School to honor her late husband. The School established the Tuttle Fund in memory of both Wallace and Lois, the income from which creates a perpetual legacy to support the students and faculty of St. Paul's.

Lois and Wallace Tuttle

What will your legacy be? For ways in which you might include St. Paul's School in your estate plans, contact Bob Barr, director of gift planning, at 603-229-4875, rbarr@sps.edu; or visit our website at www.sps.edu/plannedgiving.
