HOOKER HAS MADE TWO PLANNED GIFTS WITH ST. PAUL'S: Both are charitable gift  
annuities – one provides a steady stream of income for Hooker and his wife, Jane, for  
life; the other benefits his sister.

WHY HE SUPPORTS SPS: "St. Paul's has been instrumental in how I conduct my life as  
well as in my outlook on it. It got me interested in the world. I remember long afternoons  
in classes, the people who influenced me then as well as the people I've stayed in touch  
with throughout my life. Now in my eighth decade, it is time for me to acknowledge some  
of this."

*"St. Paul's School has been  
instrumental in how I conduct my life."*
